Overview

Embark on a thrilling 6 days Serengeti Great Migration safari that allows you to follow the seasonal migration of wildebeest and zebras through the stunning landscapes of Tanzania. Experience private game drives tailored to explore the best wildlife sightings while enabling adjustments based on real-time wildlife locations. Though migration patterns depend on rainfall and natural conditions, this safari promises to offer an unforgettable journey through some of East Africa's most iconic parks.

Highlights

- Opportunities to follow the Great Migration
- Full-day Serengeti wildlife exploration
- Seasonal wildebeest and zebra movement
- Tarangire elephants and baobab landscapes
- Ngorongoro Crater game drive
- Private safari vehicle and professional guide
- Flexible routing according to wildlife movement

Itinerary

Day 1	Arrival in Arusha and safari briefing Arrive in Arusha, where you will meet your guide and receive a safari briefing. Enjoy a relaxed evening as you prepare for your exciting journey ahead. Overnight stay in Arusha provides a perfect introduction to your adventure.
Day 2	Tarangire National Park game drive Meals: Breakfast, Lunch Depart for Tarangire National Park, recognized for its large elephant herds and iconic baobab trees. Engage in an exhilarating game drive, capturing stunning landscapes and diverse wildlife. Your guide will take you to the best spots according to wildlife activity for memorable encounters.
Day 3	Travel to Serengeti National Park and afternoon game drive Meals: Breakfast, Lunch Travel to Serengeti National Park, entering a world renowned for its wildlife abundance and breathtaking vistas. After settling in, embark on an afternoon game drive to observe the dynamic ecosystems of the park. Keep your camera ready, as various animals may be sighted in their natural habitats.
Day 4	Full-day Great Migration safari in the Serengeti Meals: Breakfast, Lunch Spend the day exploring the Serengeti with a full-day game drive focused on witnessing the Great Migration. Traverse varied landscapes, seeking to spot the incredible movement of wildebeest and zebra. Your guide will navigate based on seasonal wildlife patterns to enhance your chances of witnessing migration action.
Day 5	Morning Serengeti game drive and transfer to Ngorongoro Highlands Meals: Breakfast, Lunch On your last morning in the Serengeti, enjoy a final game drive to observe any wildlife before departing. As you journey towards the Ngorongoro Highlands, relish the changing landscapes and look out for

wildlife along the route. Arriving at your accommodation, take in the majestic views of the crater area.

Day 6

Ngorongoro Crater safari and return to Arusha

Meals: Breakfast, Lunch

Conclude your safari with an unforgettable visit to the Ngorongoro Crater, a UNESCO World Heritage Site. Enjoy a guided game drive within the crater, spotting a variety of wildlife in this dramatic volcanic landscape. After a day of exploration, travel back to Arusha to conclude your 6 days Serengeti Great Migration safari.

FAQs

What is the best time to see the Great Migration?

The Great Migration is typically best viewed from June to September in the Serengeti, though the exact timing can vary based on rainfall and wildlife movements.

Where are the wildebeest and zebras during different seasons?

During wet seasons, they are often found in the southern Serengeti, while during the dry season, they migrate toward the northern regions.

What type of accommodation is provided?

Accommodation options range from mid-range lodges to luxury tented camps, ideally located in or near national parks.

How is transport arranged?

Transport is via a private safari vehicle equipped with a professional driver-guide, ensuring personalized service and safety.

Can I bring my camera for photography?

Yes, photography is highly encouraged, and you'll have opportunities to capture stunning wildlife moments during your private game drives.

Is the itinerary flexible?

Yes, the itinerary is flexible and can be adjusted according to seasonal wildlife movement and specific guest requests.
