Overview

Join us for an unforgettable 6 days Marangu Route Kilimanjaro climb, where you'll explore stunning ecological zones while staying in comfortable huts along the way. This guided trek promises a professional mountain crew to support your journey and an acclimatization schedule designed to optimize your chances of reaching the iconic Uhuru Peak. However, it's important to note that summit success relies on various factors such as health, weather, altitude response, and the guide's judgment, so we cannot guarantee that every climber will reach the summit.

Highlights

- Hut-based accommodation along the route
- Additional acclimatization day at Horombo
- Rainforest, moorland and alpine desert landscapes
- Guided summit attempt toward Uhuru Peak
- Professional mountain guides, porters and cooks
- Suitable for climbers who prefer not to camp
- Private airport and mountain transfers where confirmed
